- Contestants will be allowed one play per day.
- All grand prize winning plays are subject to verification by Odds On Promotions whose decisions are final and binding.
- A contestant is not a winner of a grand prize, even if the visual display or prize receipt should so indicate, unless the odds established by the intended parameters of the promotions are beaten, as solely determined by the preselected winning number(s) contained within the sealed security envelope and memory logs of the promotion software, and the winning play did not occur as a result of any other scenario including but not limited to human error, software error, or machine malfunction.
- Odds On Promotions is not responsible for any prize reimbursement resulting from configuration error or software, hardware, or machine malfunction.
- TAMPERING WITH THE PRIZE VAULT IS STRICTLY PROHIBITED. Evidence of entry or any act or submission that changes the odds or functionality of the machine will cause a claim to be denied.
- Current or former employees, family members, agents, successors, or assignees of Altra Credit Union or any promotional agency involved with this promotion shall be ineligible to participate and/or claim any reimbursable prize within.
- Names and likenesses of promotion winner(s) may be used by Altra Credit Union and Odds On Promotions for promotional purposes without further compensation.
- Touching the "Place Finger To Start" button and entering a six (6) digit guess will constitute a play.
- In order to qualify for insured prize reimbursement, an eligible contestant must guess a preselected winning number IN EXACT SEQUENCE.
- The preselected winning number(s) contained within the sealed security envelope and memory logs of the Prize Vault software are the sole determiners of whether or not a contestant is an insured prize winner. Neither the visual/graphic display, audio output, nor the prize receipt (if applicable) will be considered in determining an insured grand prize winner.

IMPORTANT: In the event of a play resulting in an apparent insured grand prize winner eligible for prize reimbursement, an Altra official must: (a) secure the machine temporarily preventing additional play, (b) follow the instructions on the game screen, and (c) take a minimum of three (3) photographs showing the winning contestant standing next to the machine. Failure to execute either of these conditions will result in a claim being denied.
