1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all accounts, the dividend rate and annual percentage yield are fixed and will be in effect for the initial term of the account. One Grow Up Certificate per member age 0-12. One Graduation Certificate per member age 13-17. Grow Up and Graduation Certificates must be in the child's name and cannot be opened as an UTMA account. For First Time Homebuyers' Certificate accounts, the rate listed in our Rate Sheet will apply on balances up to \$25,000.00. Balances over \$25,001.00 will earn the base 24-month certificate rate. One First Time Homebuyer's Certificate per member, minimum deposit to open is \$1,000.00. Each dividend rate will apply only to that portion of the account balance within each balance range. The 6-month term not available on IRA certificates. For accounts subject to dividend compounding, the annual percentage yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.

2. DIVIDEND PERIOD — For each account, the dividend period is the account's term. The dividend period begins on the first day of the term and ends on the maturity date.

3. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends are stated on our Rate Sheet. For Certificate accounts, at your option, you may choose to have dividends credited to your certificate account or transferred to another account of yours. If you elect to have dividends transferred to another account, compounding will not apply.

4. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth on our Rate Sheet. For accounts using the daily balance method as stated on our Rate Sheet dividends are calculated by applying a daily periodic rate to the principal in the account each day. We reserve the right to limit the total dollar exposure per membership to \$10,000,000.00 with the credit union at our discretion.

5. ACCRUAL OF DIVIDENDS — For all accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Grow Up Certificate and Graduation Certificate accounts, if you close your account before accrued dividends are credited, accrued dividends will not be paid.

8. EARLY WITHDRAWAL PENALTY — We may impose a penalty if you withdraw funds from your account before the maturity date..

a. Amount of Penalty. For Certificate and Youth Certificate accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:

Terms of 12 months or less 90 days of dividends, unless otherwise noted

Terms of 13 months or greater 180 days of dividends, unless otherwise noted

Please note specials may contain penalties greater than listed above, please see rate sheet for details.

For First Time Homebuyers' Certificate accounts, the early withdrawal penalty for your account is a forfeiture of all dividends earned on your account but will not be less than seven (7) days' dividends; however, if your account has been open at least seven days and you withdraw funds that are used to purchase a home with a mortgage held by Altra Federal Credit Union, the penalty will be waived. One account per member is available if you are at least 18 years of age and are not currently a homeowner or have not previously been a homeowner.

For Grow Up Certificate and Graduation Certificate accounts, the amount of early withdrawal penalty for your account is forfeiture of all dividends earned on your account but will not be less than seven (7) day's dividends. For Graduation Certificate accounts, if your account has been open at least seven days and you make a full or partial withdrawal of funds that are used to purchase of an automobile with an auto loan held by Altra Federal Credit Union, the penalty will be waived.

b. How the Penalty Works. The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividends have already been paid, the penalty will be deducted from the principal.

c. Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:

(i) When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.

(ii) Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment of the account; provided that the depositor forfeits an amount at least equal to the simple dividends earned in the amount withdrawn; or where the account is an IRA and the owner attains age 59½ or becomes disabled.

- 9. RENEWAL POLICY** — The renewal policy for your accounts is stated on our Rate Sheet. For accounts that automatically renew for another term, you have a grace period of ten (10) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty. For accounts that do not automatically renew for another term, the account balance will be transferred to another account of yours upon maturity. Dividends will be paid until the account is closed or transferred to another account of yours. First Time Homebuyer's Certificates are able to be renewed once at member's request otherwise the certificate will automatically transfer to the member's savings account upon maturity.
